The poster is a rectangular graphic with a light green background and a black border. At the top left is the logo of BLDEA'S SSM COP & RC, featuring a stylized figure in a white lab coat. To the right of the logo, the text reads: "BLDEA'S SHRI SANGANABASAVA MAHASWAMIJI COLLEGE OF PHARMACY & RESEARCH CENTRE, VIJAYAPURA". Below this, the main title "FACULTY DEVELOPMENT PROGRAM" is written in a large, bold, black serif font. Underneath the title, it says "Organized by Department of Pharmaceutical Quality Assurance". The topic is listed in red, bold, sans-serif font: "TOPIC :- CHALLENGES FOR PHARMACY EDUCATION IN TEACHING AND LEARNING - 2030 AND BEYOND". The speaker's name "DR B G NAGAVI" is in a large, blue, bold, sans-serif font. Below the name, his title "Founder CEO & Senior Consultant of Higher education Skill Development and Research (HESDAR) Center, Mysuru, Karnataka" is written in a smaller black font. To the right of the text is a portrait of Dr. B.G. Nagavi, a man with glasses and a mustache, wearing a dark suit and a patterned tie. At the bottom left, there are two rounded rectangular boxes: the first contains "Date:- 05/04/2023" and "Time :- 11.45 AM"; the second contains "VENUE Third Floor Auditorium hall BLDEA'S SSM COP & RC Vijayapur-586101".

Report of an Event

Three day Faculty development program cum Orientation program for young teaching faculty was organized by the Department of Pharmaceutical Quality Assurance, BLDEA SSM College of pharmacy and research center Vijayapur on 05th April 2023.

One day Faculty Development Program

Objective (s)	The main objective of the program was to inculcate values and awareness among young teachers for their entry level knowledge upgradation and updating the senior faculty members.
Title	Challenges for Pharmacy Education in Teaching and Learning-2030 and beyond.
Resource Person	Dr. B.G.Nagavi, CEO and Senior consultant, HESDARC, Mysuru
Target Participants	Teaching staff
No. of Participants	44
Details	The resource person, Dr. B.G.Nagavi discussed the impact of Artificial Intelligence like Chat GPT and Robots on current teaching learning methods and the effect on the role of teachers in future. However he opined that Robots cannot replace teachers in future because human brain is stronger than computers, as these systems are developed by human beings themselves. Dr. B.G.Nagavi also highlighted the role of higher authorities as leaders and discussed the basic leadership qualities. He also

stressed upon the challenges of higher education in India mainly regarding teaching quality.
