### 7.1.1 Measures Initiated by the Institution for the promotion of gender equity during the last five years

*A Feminist is anyone who recognizes the equality and full humanity of women and men – Gloria Steinem*

- To promote gender equity, our institution established Women Empowerment Cell. The cell aims to empower girl students and faculty and to make the college campus a safe place for girls and women and to address the issues related to the welfare and equal opportunities for Women Faculty and Students.
- The cell aims at scholarly and social upliftment of the female students through various activities by conducting Guest Lectures, Seminars, Awareness Programs and other activities.

#### 1. Safety and Security:

- Guest lecture was organized for the girl students and women faculty members to create awareness regarding legal rights.
- CCTV cameras are installed throughout the college premises to ensure women safety and security in all aspects.

#### 2. Participation of girls in Co-curricular activities

Girl students are encouraged to participate in various co-curricular like conferences, guest lectures, etc.

#### 3. Participation of girls in various cultural and sports activities

Girl students are encouraged to participate in various cultural activities that are being organised in the college. Also they are encouraged to participate in indoor as well as outdoor sports activities. This helps them in boosting their self-confidence and impacts on health benefits.

**4. Hostel facility for girls**

Girls seeking admission from outstation areas in our college are provided with hostel facility within the college premise. Measures for safety and security of girls staying in hostel have been implemented by installing CCTV camera at the entrance of the hostel and female warden is also appointed who looks after day-to-day activities in the hostel.

**5. Common Room**

Girl's common rooms are set up to provide first aid and to facilitate the sick students to take rest.

**6. Rest room for girls**

Rest room for girls is setup to maintain sanitization which significantly impact on safety and wellbeing of girls.
