## **BLDEA'S SHRI SANGANABASAVA MAHASWAMIJI COLLEGE OF PHARMACY AND RESEARCH CENTRE, VIJAYAPUR\_ MENTORING SYSTEM**

### **Head of the college: Roles & Responsibilities**

- Liaising, when requested, with the Academic Mentoring Management Committee on issues relating to mentoring within the college
- Facilitating the Mentoring process within his/her college
- Encouraging Mentees to engage in the process within their college

### **College Office: Roles & Responsibilities**

- Provide advice and support on practicalities such as timetabling, room bookings and contacts
- Support the mentoring process and deal with any other administrative responsibilities
- Keeping an up to date virtual list of matches and mentors available
- Act as a point of contact between the Committee of Professors and Academic Mentors when necessary
- Keeping a record at college level and also informing the College Office of 'live' mentoring relationships so that the list of available Academic Mentors can be kept current.

### **Mentor: Roles & Responsibilities**

- Support the mentee to make an 'Action Plan' outlining their motivation and goals
- Meet on a one to one or group basis to review the Mentee's progress towards their desired goals
- Use questioning techniques to facilitate the Mentee's own thought processes in order to identify solutions and actions<sup>1</sup>
- Utilise active listening and communication skills to ensure the needs of the Mentee are being met within the mentoring relationship<sup>2</sup>
- Share relevant academic experiences/problems you have overcome (if appropriate)
- Facilitate and encourage autonomous and enquiry-based learning, providing the Mentee with the tools to find their own answers
- Sign-post the Mentee onto other support services should this be necessary
- Attend continuous training to ensure the you have the appropriate skills to support the Mentee in their journey
- Offer a 'safe space' for the Mentee to share their academic worries and concerns
- Build mutual trust and respect

#### **Mentee: Roles & Responsibilities**

- A desire and ability to engage in the mentoring process
- The time and commitment to pursue their goals
- An understanding of the role and boundaries of the Mentor
- Being punctual and prepared for meetings
- Must respect the confidentiality of the relationship
- Mentees must take ownership of the process
