### Part B

### **CURRICULAR ASPECTS**

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institution follows the curriculum prescribed by RGUHS, Bangalore. At the beginning of the academic year, the affiliated university provides syllabus, regulations, and academic calendar. The institution ensures effective curriculum delivery through a meticulously planned and well implemented process as documented through following method the institution strictly adheres to the Annual academic calendar, which is prepared by the Academic coordinator in consultation with Principal, HoDs, and IQAC. In the beginning of every academic year, courses are allotted to faculty

Page 12/120 23-12-2024 04:14:06

according to the area of specialization and skill matrix of the faculty.

Every faculty prepares monthly and annual lesson plans for the course, considering objectives, subject matter, procedure, assessment, and assignment. Faculty use the ICT method of teaching and learning and conduct regular assignments, discussions, workshops, seminars, and industrial visits apart from regular/traditional teaching methods.

Course files are maintained by all the faculty members for the subjects handled by them at the beginning of each year. Industrial training, internships, and projects by students are monitored regularly and certificates are issued only after successful completion. The work diary is scrutinized and certified by the HoD and principal. The presentations are assessed by the faculty members and peers.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Detailed calendar is prepared for effective planning and

implementation on the basis of the academic calendar issued by the affiliating university, which gives the dates of commencement of academic year, and tentative end semester examination dates. With reference to the university academic calendar, the college committee consisting of Principal, Academic in-charge and program heads prepares the academic calendar for the college well in advance before the commencement of the semester. The calendar outlines the annual/semester-wise class work schedule, list of holidays, internal examination schedule. To ensure efficient conduct of regular classes, the students are madeaware the of exam dates well in advance before the commencement of the semester/annual mode through notice board and College website. Internal examinations are conducted regularly in accordance to academic calendar. The subject teachers discuss the structure of xamination pattern in their regular classes in order to avoid the confusion of the students. The subject teachers are instructed to

Page 13/120 23-12-2024 04:14:06

set the question paper based on the syllabus. The marks scored by the students in sessional examination are entered in the sessional examination marks register thus making the process robust and transparent. Marks obtained by students in internal examination are communicated to University through online portal.

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institute has the mechanism in place to review, assess, and analyse student's requirements for the courses offered and to

Page 18/120 23-12-2024 04:14:06

identify slow and advanced learners by grading their performance through defined assessment methods at the start of the every academic year. They were then provided with guidance, suggestions, and conditioning sessions to address learning deficiencies through various supportive programs

#### The Process

- Assessment of performance at previous qualifying exam
- Supporting programs for slow learners
- · Continuous monitoring throughout the academic year.
- Bilingual teaching
- Remedial classes
- Mini assignments and notes
- Mentoring through Faculties
- Special preparation classes before final Semester
- Supporting programs for medium and advanced learners
- Sharing of responsibility at curricular and co-curricular level.
- Participation in extension activities.
- Nomination for Student Union Members
- Seminar assignments, Role play in newsletter,

### 2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

SSMCOP emphasis on ICT infusion in pedagogy to improve learning, motivate and engage learners, promote collaboration, foster enquiry and exploration, and create a new learner centred learning culture. Learners are expected to collect, select, analyze, organize, extend, transform and present knowledge using ICT in authentic and active learning paradigm. Teachers are expected to create a new flexible and open learning environment with interactive, experiential and multimedia based delivery system. Our institute encourages all faculty members to participate/register in SWYAM, SSMCATI- LMS, Google classroom, online lecture tutorials on various platforms, and insist usage of

Page 20/120 23-12-2024 04:14:06

ICT tools in class rooms for effective teaching learning process.

Faculties utilize three types of ICT tools such as

- 1. Generic tools for learning: Starting from productivity tools to simulation & modeling to access, extend, transform and share information e.g. Licensed and open source software for lab and Projects.
- 2. Content-based resources: To access a vast source of educational resources that effectively can be integrated with the curriculum objectives SWAYAM, Blogs, RGUHS HELINET consortium, DELNET etc

Interactive instructional courseware: Self-paced learning materials e.g Google Class Room Collpoll -LMS SSMCATI- LMS, Video Lecture, Course material in website etc

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Page 22/120 23-12-2024 04:14:06

The institution strictly follows the evaluation process approved by the RGUHS, Bangaluru.

The academic calendar for each semester is prepared by the Academic committee with the University schedule of events, which provides the information on scheduled time table for class test, internal assessment, retest, and the tentative schedule of university examinations.

Academic monitoring committee assigned by the institution head to ensure effective conduct of exams.

The students can review their evaluated answer script and discuss the same with concerned faculty.

During the Induction program the newly admitted students are updated about the attendance requirements as well as the pass mark requirements for internal assessments. Whenever the students are having grievances, they resolve through faculty, mentor, department head, and Principal and grievance committee. The question paper pattern for the internal examinations has been standardized by the institution which is in line with the university question paper pattern. The syllabus is appropriately divided and covered as per the frequency of internal exam. For semester mode two internals and for annual mode three internal assessments test are conducted. Student's marks are intimated to the students immediately after the completion of assessment and the same is communicated to their parents during parent teacher meet.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The institution strictly follows the evaluation process approved by the RGUHS, Bangaluru.

The class teachers carefully monitor the regularity of attendance and the performance of the students in internal evaluation tests and end semester/annual examination. The performance of the students is informed to the students immediately after the

Page 23/120 23-12-2024 04:14:06

completion of assessment tests. The students who have any grievance in the evaluation process can approach the faculty member who had evaluated the answer sheets for any discrepancies in the marks. The final average internal assessment marks dully verified by the students and faculty were finally uploaded in the University web portal as soon the notification received from the affiliated university before commencement of university exam. Other type of grievances such as data missing in the question papers, question asked from outside the syllabus, question paper being tough etc., are communicated to the respective HOD/Principal by the concerned faculty for necessary action.

A candidate can apply for photocopy of his/her semester or yearend examination answer paper in a theory course. The answer script is only subjected for retotaling as per the university policy.

Revaluation is not permitted as per university policy for theory/practical and project work.

#### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

POs and PSOs are approved by the IQAC available in the Institute website.

POs and PSOs are posted in corridors, classrooms, department, office, laboratories and department library of the campus for staff, students and public view.

At the first course committee meeting the corresponding faculty members discuss the assessing methods of each course outcomes and prepare the mapping with the POs and PSOs

The POs and PSOs relevant feedback has been collected from the parents during Parents-Teachers Meeting.

Page 24/120 23-12-2024 04:14:06

The outcomes are elaborately discussed and derived by the course committee members. Even though the COs is given by the University along with the syllabus, if necessary, the COs are modified and reframed by the course committee members.

Academic affairs Committee analyze the course outcomes and their mapping with program outcomes and program specific outcomes done for each courses by the course handlers along with one subject area expert.

#### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Attainment of program outcomes, program specific outcomes and course outcomes are evaluated by the institution. The process of attainment of COs, POs, and PSOs starts from writing appropriate COs for each course in the degree program. The course outcomes are written by the respective faculty member using action verbs of learning levels as suggested by Bloom Taxonomy. Then, a correlation is established between COs and POs and COs and PSOs on the scale of 0 to 3, 0 being no correlation, 1 being the low correlation, 2 being medium correlation and 3 being a high correlation.

The matrix of COs POs and COs PSOs for each course run by the institution are mapped and finally merged to form a program level CO -- PO Matrix and CO - PSO Matrix. Institute which is a university-affiliated college, the CO assessment tools used to measure the attainment levels through Class Test, Internal Assessment [IA], Quiz, Assignments, University exams, performance during experiments etc. These are direct assessment tools.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Policies and procedures are an essential component of any organization/institution. Policies address important issues, such as what constitutes acceptable behavior by individuals. Whereas procedures define clearly a sequence of steps to be followed in a consistent manner, such as how the organization will respond to any policy violations. The BLDEA's SSM College of Pharmacy and Research Centre has established policies and SOPs to achieve its goals and provide clarity to the viewer when dealing with accountability of issues or activities that are of important while utilizing and maintaining the infrastructure, viz., admission policy, sports, computers, and classroom, for smooth and effective conduction of academic activities of an institution. Guidelines also focus on student-centered learning, innovation, and creativity in learning; tutorial classes for slow learners; participation of students and teachers in various co-curricular and extracurricular activities; and orienting the student youth as NSS volunteers for community service while they are studying in educational institutions. Our college endorses the basic principle of life, the concept of responsible student freedom, which carries with it the recognition by each student community. The college also expects its students to abide by local, state, and federal laws, as well as by generally accepted moral standards.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, cocurricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student council for the academic year 2023-24 is formed in the college by collecting information from respective class teachers. All class teachers selected the representative based on attitude,

Page 42/120 23-12-2024 04:14:07

knowledge, and vocabulary. Based on this from each class, one lady and one boy are selected, then student committee members called all the representatives and formed the student council. The objective is to make the students participate in the development of the institute as well as in the process of developing their personalities, organizational skills, and careers through interactive sessions with the faculty, administration, and society. Council

representatives allocated into various comities of the college for executing their work The goal of the student council is to provide a common platform For students in educational, co-curricular and extracurricular activities. It is responsible for the entire cultural, literary and sports activities organized by the college. Activities under the council are supported by a team of faculty members. Student members of the council are actively involved in other committee activities of the organization viz., sports andcultural committee, Ant-ragging committee, etc. Thus, student council play a vital role in achieving organization goal with self-development of students.

#### 6.2 - Strategy Development and Deployment

#### 6.2.1 - The institutional Strategic/perspective plan is effectively deployed

Response: Example: Up gradation of Library Automation (LA)
Planning: Step 1: Preparation of Automation. A committee was
constituted of Principal, Librarian, Faculty in-charge and IT head
of Association.

Step 2: System Selection (Software and Hardware). NEWGEN.

Step 3: Preparing the collection for the automated system. To begin the technical processing or retrospective conversion, the materials (books, multimedia, and periodicals) for the process had to be selected and prepared.

Step 4: Implementing the automated system.

The implementation phase consists of retrospective conversion, the database of members, operations, statistics generation, and training for staff and users. Step 5: Networking. The central system where the software has loaded, and the data entry has been taking place was kept as the server. The remaining systems in the

library, including OPACs and the computer system were networked locally. Step 6: OPAC setup and E-Lib setup.

Step 7: Staff Training and User Education. The librarian is trained in the overall management and maintenance of the automated system. He got initial training from the software vendor and has continuously updated it.

Step 8: Evaluation. The system is evaluated for its currency and effectiveness periodically. User studies were conducted to assess the effectiveness of services.

#### 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Example 1. Students Feedback IQAC has planned to sustain Institutional programmes. IQAC has developed its own online system of inviting feedback from the students on various aspects of the college. Feedback suggestion box is arranged for the students. The Institution has devised & implemented online 'Feedback regarding the climate of the college' on such aspects as: 1.College b) Curriculum c) Classroom Interaction d) Laboratory e) Examination f) Library. The recent feedback was received for the year 2023-24.

#### Hostel.

This feedback provides an opportunity to the students for giving their observations and suggestions for further developments & better results. Example 2. Parents-Teachers meet The goal is to establish a linkage between the parents and the institution. The college has wanted to get feedback from the parents of the students about the functioning of the institution and how to improve the academic process. The feedback received from the parents has been invaluable in framing departmental as well as college plans. As per the suggestions of the parents, the college has taken some measures as far as practicable and successes in some areas are noteworthy. The online parent - teachers meeting recently was held on 05.10.2023.

#### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE 1 REFLECTING ON ONE'S OWN TEACHING TO PREPARE THE NEXT GENERATION OF INTELLECTUAL LEADERS

Strengthen Teacher's Tech Skills: Teachers must develop tech skills and electronic presentation abilities to effectively engage students in the changing learning environment.

Self-Centred Development: Teacher, first he is lifelong learner, he has to update himself to face challenges of teaching in current trends.

Brush up on Pedagogy: The sea change in the pedagogy, one has to update himself to address new generation learners.

Improve Classroom Management: Now a day's classrooms are well equipped with ICT tools, and the role of a teacher is changing to facilitator.

Student-Centred Development: Teacher should facilitate, guide, and mentor the learners for their holistic growth.

Shikshak sahaya hastha: it has started with objective to provide the individual care of students with customized problem solving specially students residing in the hostel.

BEST PRACTICE 2 A TWO-TIERED APPROACH OF HOLISTIC MENTORING TO SUSTAIN ORGANISATIONAL CHANGE AND INNOVATION

Objective: Mentoring of junior students by senior student: Mentoring of students by teachers: Mentoring through holistic approach: Students are exposed to various environments where their thought process will find evidences. Mentoring of a new teacher by an experienced colleague: New teacher is mentored by an experienced colleague with respect to imbibing teaching skills.

#### Part B

#### **CURRICULAR ASPECTS**

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institution follows the curriculum prescribed by RGUHS, Bangalore. At the beginning of the academic year, the affiliated university provides syllabus, regulations, and academic calendar. The institution ensures effective curriculum delivery through a meticulously planned and well implemented process as documented through following method the institution strictly adheres to the Annual academic calendar, which is prepared by the Academic coordinator in consultation with Principal, HoDs, and IQAC. In the beginning of every academic year, courses are allotted to faculty according to the area of specialization and skill matrix of the faculty.

Every faculty prepares monthly and annual lesson plans for the course, considering objectives, subject matter, procedure, assessment, and assignment. Faculty use the ICT method of teaching and learning and conduct regular assignments, discussions, workshops, seminars, and industrial visits apart from regular/traditional teaching methods.

Course files are maintained by all the faculty members for the subjects handled by them at the beginning of each year. Industrial training, internships, and projects by students are monitored regularly and certificates are issued only after successful completion. The work diary is scrutinized and certified by the HoD and principal. The presentations are assessed by the faculty members and peers.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Detailed calendar is prepared for effective planning and

implementation on the basis of the academic calendar issued by the affiliating university, which gives the dates of commencement of academic year, and tentative end semester examination dates. With reference to the university academic calendar, the college committee consisting of Principal, Academic in-charge and program heads prepares the academic calendar for the college well in advance before the commencement of the semester. The calendar outlines the annual/semester-wise class work schedule, list of holidays, internal examination schedule. To ensure efficient conduct of regular classes, the students are madeaware the of exam dates well in advance before the commencement of the semester/annual mode through notice board and College website. Internal examinations are conducted regularly in accordance to academic calendar. The subject teachers discuss the structure of xamination pattern in their regular classes in order to avoid the confusion of the students. The subject teachers are instructed to set the question paper based on the syllabus. The marks scored by the students in sessional examination are entered in the sessional examination marks register thus making the process robust and transparent. Marks obtained by students in internal examination are communicated to University through online portal.

#### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Being RGUHS, Bangaluru affiliated institute, the curriculum prescribed by the university is followed. Crosscutting issues relevant to ethics, environment and sustainability etc., are integrated into the university prescribed curriculum across all programs.

Institute is very conscious about issues relating to gender. SSM College of Pharmacy and Research centre has instituted women's forum which constantly aware girls about Vishakha guidelines and assures them regarding support of the institute which will always be there, in any adverse situation.

A gender sensitization lectures are organized every year and professional advocates deliver lectures and awaken the girls and boys in the context of gender rights. Institute considers environment sustainability as major issue and therefore offers "Environment Science" as a subject at the F.Y.B.Pharm level.

Institute strongly supports and conducts blood donation camps annually. Students participate in various social activities such as Health Check Up, save girl child activity, Tree plantation activity, "Swachh Bharat Abhiyan". Rallies and street shows for awareness regarding infectious diseases which are prevalent in the area are conducted on various occasions. Institute considers professional ethics of paramount importance. Students are encouraged to attend various competitions at 'National Pharmacy Week' and to attend Indian Pharmaceutical Congress.

#### 2.2 - Catering to Student Diversity

## 2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institute has the mechanism in place to review, assess, and analyse student's requirements for the courses offered and to identify slow and advanced learners by grading their performance through defined assessment methods at the start of the every academic year. They were then provided with guidance, suggestions, and conditioning sessions to address learning deficiencies through various supportive programs

#### The Process

- Assessment of performance at previous qualifying exam
- Supporting programs for slow learners
- · Continuous monitoring throughout the academic year.
- Bilingual teaching
- Remedial classes
- Mini assignments and notes
- Mentoring through Faculties
- Special preparation classes before final Semester
- Supporting programs for medium and advanced learners
- Sharing of responsibility at curricular and co-curricular level.
- Participation in extension activities.

## 2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

SSMCOP emphasis on ICT infusion in pedagogy to improve learning, motivate and engage learners, promote collaboration, foster enquiry and exploration, and create a new learner centred learning culture. Learners are expected to collect, select, analyze, organize, extend, transform and present knowledge using ICT in authentic and active learning paradigm. Teachers are expected to create a new flexible and open learning environment with interactive, experiential and multimedia based delivery system. Our institute encourages all faculty members to participate/register in SWYAM, SSMCATI- LMS, Google classroom, online lecture tutorials on various platforms, and insist usage of ICT tools in class rooms for effective teaching learning process.

Faculties utilize three types of ICT tools such as

- 1. Generic tools for learning: Starting from productivity tools to simulation & modeling to access, extend, transform and share information e.g. Licensed and open source software for lab and Projects.
- 2. Content-based resources: To access a vast source of educational resources that effectively can be integrated with the curriculum objectives SWAYAM, Blogs, RGUHS HELINET consortium, DELNET etc

Interactive instructional courseware: Self-paced learning materials e.g Google Class Room Collpoll -LMS SSMCATI- LMS, Video Lecture, Course material in website etc

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institution strictly follows the evaluation process approved by the RGUHS, Bangaluru.

The academic calendar for each semester is prepared by the Academic committee with the University schedule of events, which provides the information on scheduled time table for class test, internal assessment, retest, and the tentative schedule of university examinations.

Academic monitoring committee assigned by the institution head to ensure effective conduct of exams.

The students can review their evaluated answer script and discuss the same with concerned faculty.

During the Induction program the newly admitted students are

updated about the attendance requirements as well as the pass mark requirements for internal assessments. Whenever the students are having grievances, they resolve through faculty, mentor, department head, and Principal and grievance committee. The question paper pattern for the internal examinations has been standardized by the institution which is in line with the university question paper pattern. The syllabus is appropriately divided and covered as per the frequency of internal exam. For semester mode two internals and for annual mode three internal assessments test are conducted. Student's marks are intimated to the students immediately after the completion of assessment and the same is communicated to their parents during parent teacher meet.

#### 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, timebound and efficient

The institution strictly follows the evaluation process approved by the RGUHS, Bangaluru.

The class teachers carefully monitor the regularity of attendance and the performance of the students in internal evaluation tests and end semester/annual examination. The performance of the students is informed to the students immediately after the completion of assessment tests. The students who have any grievance in the evaluation process can approach the faculty member who had evaluated the answer sheets for any discrepancies in the marks. The final average internal assessment marks dully verified by the students and faculty were finally uploaded in the University web portal as soon the notification received from the affiliated university before commencement of university exam. Other type of grievances such as data missing in the question papers, question asked from outside the syllabus, question paper being tough etc., are communicated to the respective HOD/Principal by the concerned faculty for necessary action.

A candidate can apply for photocopy of his/her semester or yearend examination answer paper in a theory course. The answer script is only subjected for retotaling as per the university policy.

Revaluation is not permitted as per university policy for theory/practical and project work.

#### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

POs and PSOs are approved by the IQAC available in the Institute website.

POs and PSOs are posted in corridors, classrooms, department, office, laboratories and department library of the campus for staff, students and public view.

At the first course committee meeting the corresponding faculty members discuss the assessing methods of each course outcomes and prepare the mapping with the POs and PSOs

The POs and PSOs relevant feedback has been collected from the parents during Parents-Teachers Meeting.

The outcomes are elaborately discussed and derived by the course committee members. Even though the COs is given by the University along with the syllabus, if necessary, the COs are modified and reframed by the course committee members.

Academic affairs Committee analyze the course outcomes and their mapping with program outcomes and program specific outcomes done for each courses by the course handlers along with one subject area expert.

### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Attainment of program outcomes, program specific outcomes and course outcomes are evaluated by the institution. The process of attainment of COs, POs, and PSOs starts from writing appropriate COs for each course in the degree program. The course outcomes are written by the respective faculty member using action verbs of learning levels as suggested by Bloom Taxonomy. Then, a correlation is established between COs and POs and COs and PSOs on the scale of 0 to 3, 0 being no correlation, 1 being the low correlation, 2 being medium correlation and 3 being a high correlation.

The matrix of COs POs and COs PSOs for each course run by the institution are mapped and finally merged to form a program level CO -- PO Matrix and CO - PSO Matrix. Institute which is a university-affiliated college, the CO assessment tools used to measure the attainment levels through Class Test, Internal Assessment [IA], Quiz, Assignments, University exams, performance during experiments etc. These are direct assessment tools.

#### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The institution promotes social responsibility among students and faculty through community-focused initiatives and strategic

collaborations. Partnerships with organizations like the Rotary Club (North) of Bijapur and Lions Blood Bank, Bijapur, enable impactful activities, including adopting Siddapur village and maintaining 1,000 saplings under the Vriksha Abhiyan Prathisthan programme. Events such as Health Awareness Programme, Swachh Bharat Abhiyaan, National Unity Day, Blood Donation Camps, International Women's Day, Tree Plantation, World Environment Day, International Day of Yoga, and Breast Cancer Awareness Campaign foster awareness and active participation.

These efforts contribute to the holistic development of students while positively influencing various stakeholders. Appreciation letters from entities like Govt. Primary School, Vijayapura, and BLDE Deemed to be University highlight the impact of initiatives like Health Awareness Camps and Blood Donation Drives. Other activities, including COVID-19 awareness programs, thermal scanning drives, Sadbhavana Diwas, NSS Foundation Day, and field visits to Vijayapur's Water Management and Irrigation Project, further emphasize the institution's commitment to societal and environmental welfare. These endeavors reflect its dedication to fostering a responsible and engaged community.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Policies and procedures are an essential component of any organization/institution. Policies address important issues, such as what constitutes acceptable behavior by individuals. Whereas procedures define clearly a sequence of steps to be followed in a consistent manner, such as how the organization will respond to any policy violations. The BLDEA's SSM College of Pharmacy and Research Centre has established policies and SOPs to achieve its goals and provide clarity to the viewer when dealing with accountability of issues or activities that are of important while utilizing and maintaining the infrastructure, viz., admission policy, sports, computers, and classroom, for smooth and effective conduction of academic activities of an institution. Guidelines also focus on studentcentered learning, innovation, and creativity in learning; tutorial classes for slow learners; participation of students and teachers in various co-curricular and extracurricular activities; and orienting the student youth as NSS volunteers for community service while they are studying in educational institutions. Our college endorses the basic principle of life, the concept of responsible student freedom, which carries with it the recognition by each student community. The college also expects its students to abide by local, state, and federal laws, as well as by generally accepted moral standards.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student council for the academic year 2023-24 is formed in the college by collecting information from respective class

teachers. All class teachers selected the representative based on attitude, knowledge, and vocabulary. Based on this from each class, one lady and one boy are selected, then student committee members called all the representatives and formed the student council. The objective is to make the students participate in the development of the institute as well as in the process of developing their personalities, organizational skills, and careers through interactive sessions with the faculty, administration, and society. Council

representatives allocated into various comities of the college for executing their work The goal of the student council is to provide a common platform For students in educational, cocurricular and extracurricular activities. It is responsible for the entire cultural, literary and sports activities organized by the college. Activities under the council are supported by a team of faculty members. Student members of the council are actively involved in other committee activities of the organization viz., sports and cultural committee, Antragging committee, etc. Thus, student council play a vital role in achieving organization goal with self-development of students.

#### 6.2 - Strategy Development and Deployment

#### 6.2.1 - The institutional Strategic/perspective plan is effectively deployed

Response: Example: Up gradation of Library Automation (LA) Planning: Step 1: Preparation of Automation. A committee was constituted of Principal, Librarian, Faculty in-charge and IT head of Association.

Step 2: System Selection (Software and Hardware). NEWGEN.

Step 3: Preparing the collection for the automated system. To begin the technical processing or retrospective conversion, the materials (books, multimedia, and periodicals) for the process had to be selected and prepared.

Step 4: Implementing the automated system.

The implementation phase consists of retrospective conversion, the database of members, operations, statistics generation, and training for staff and users. Step 5: Networking. The central system where the software has loaded, and the data entry has been taking place was kept as the server. The remaining systems in the

library, including OPACs and the computer system were networked locally. Step 6: OPAC setup and E-Lib setup.

Step 7: Staff Training and User Education. The librarian is trained in the overall management and maintenance of the automated system. He got initial training from the software vendor and has continuously updated it.

Step 8: Evaluation. The system is evaluated for its currency and effectiveness periodically. User studies were conducted to assess the effectiveness of services.

#### 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Example 1. Students Feedback IQAC has planned to sustain Institutional programmes. IQAC has developed its own online system of inviting feedback from the students on various aspects of the college. Feedback suggestion box is arranged for the students. The Institution has devised & implemented online 'Feedback regarding the climate of the college' on such aspects as: 1.College b) Curriculum c) Classroom Interaction d) Laboratory e) Examination f) Library. The recent feedback was received for the year 2023-24.

#### Hostel.

This feedback provides an opportunity to the students for giving their observations and suggestions for further developments & better results. Example 2. Parents-Teachers meet The goal is to establish a linkage between the parents and the institution. The college has wanted to get feedback from the parents of the students about the functioning of the institution and how to improve the academic process. The feedback received from the parents has been invaluable in framing departmental as well as college plans. As per the

suggestions of the parents, the college has taken some measures as far as practicable and successes in some areas are noteworthy. The online parent - teachers meeting recently was held on 05.10.2023.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE 1 REFLECTING ON ONE'S OWN TEACHING TO PREPARE THE NEXT GENERATION OF INTELLECTUAL LEADERS

Strengthen Teacher's Tech Skills: Teachers must develop tech skills and electronic presentation abilities to effectively engage students in the changing learning environment.

Self-Centred Development: Teacher, first he is lifelong learner, he has to update himself to face challenges of teaching in current trends.

Brush up on Pedagogy: The sea change in the pedagogy, one has to update himself to address new generation learners.

Improve Classroom Management: Now a day's classrooms are well equipped with ICT tools, and the role of a teacher is changing to facilitator.

Student-Centred Development: Teacher should facilitate, guide, and mentor the learners for their holistic growth.

Shikshak sahaya hastha: it has started with objective to provide the individual care of students with customized problem solving specially students residing in the hostel.

BEST PRACTICE 2 A TWO-TIERED APPROACH OF HOLISTIC MENTORING TO SUSTAIN ORGANISATIONAL CHANGE AND INNOVATION

Objective: Mentoring of junior students by senior student: Mentoring of students by teachers: Mentoring through holistic approach: Students are exposed to various environments where their thought process will find evidences. Mentoring of a new teacher by an experienced colleague: New teacher is mentored by an experienced colleague with respect to imbibing teaching skills.
